

**47 C.F.R. § 27.20(b) Digital Television Transition Education Report**

**Docket No. 07-148**

Date filed: April 10, 2009

Licensees covered by this report: Triad 700, LLC

Name of signatory: Craig Viehweg

Title of Signatory: Chief Financial Officer

**Statement**

Triad 700, LLC ("Triad") was granted Block A, B and C licenses in the 700 MHz Lower Band on January 6, 2009. Since Triad was granted these licenses only recently, it has not yet engaged in any outreach efforts relating to educating consumers about the DTV transition as of the date of this report. However, Triad is in the process of evaluating and determining what outreach efforts may be necessary. The passage of the DTV Delay Act on February 4, 2009 moved the date of the DTV transition from February 17, 2009 to June 12, 2009. Triad is specifically considering whether any additional educational outreach efforts need to be made as a result of the passage of the DTV Delay Act. Triad will provide updated information in that regard in its next quarterly filing with the Commission.

**Certification**

I, Craig Viehweg, am an officer of the company named above and have personal knowledge with respect to the matters contained in the statement above. I certify that to the best of my knowledge, information and belief that the statement above is true and correct.
